Dear First Night Bridgeport 2007 Performer:

I am always delighted with the talent and professionalism of the artists in our region. Your energy and artistic gifts are what make a First Night celebration, or any other celebration for that matter, come alive.

I hope your experience with First Night Bridgeport was a good one. This was our second year and our audiences are small but as we continue to grow over the years, we hope to rival any First Night in New England. With your help we'll be able to accomplish this. Thank you for helping us to bring this celebration of the arts to our community.

Have a healthy, safe, and happy new year.

Very truly yours,

Pamela M. Amodio
Event Director

*Thank you, Tammy!
Librarians hear a lot of storytellers
in their positions. I'm happy to tell
you that the ^{chief} librarian in Bridgeport
was very impressed with
your performance.
